

# KLAS PERSSON | CV

## GOAL

I want to work with graphic design and advertising.

## PROFILE

My name is Klas Persson, I'm 28 years old and I was born in a small town in the middle of Sweden. Recently I was attending a three year graphic design course in Milan. I have always been interested in graphic design, but I also have a great passion for photography and film. During my three my years in Milan and Italy, I worked with people from all over the world, and that gave me lots of international influences and great experiences.
